

ALEXANDRIA AFFAIRS
Mgr. Bonzano Places Wreath on Washington's Tomb.
LODGE HOLDS CELEBRATION
Knights of Columbus Are Observing
Discovery Day With an Elaborate Program.

Special Correspondence of The Star.
ALEXANDRIA, Va., October 11, 1912.
The placing of a handsome memorial wreath, made of magnolia leaves, intertwined with the papal colors, yellow and white, and red, white and blue on Washington's tomb this afternoon by Mgr. Bonzano, papal delegate, marked the opening of the celebration of Discovery day under the auspices of Fitzgerald Council, No. 429, Knights of Columbus, this city.

The trip to Mount Vernon was made early this afternoon in the special car Mount Vernon. In the party accompanying the papal delegate were a number of distinguished prelates of the Catholic Church, together with the members of the committee of arrangements from the local council.

Children to Be Greeted.

At 4:20 o'clock this afternoon the papal delegate will tender the children of St. Mary's schools a reception at the Young Men's Sodality Lyceum Hall. This will be attended by 450 boys and girls, and will be opened by the singing of "Italia" by the vocal class of St. Mary's school. A solo will be given by Miss Katherine Brill. An address of welcome will be made on behalf of the school children by Miss Virginia Downey, and an address will then follow by the papal delegate.

Following the reception the papal delegate, together with the other guests, will be driven in automobiles around the city, where they will view the historic points of interest. Returning to the Hotel Raleigh at 7 o'clock they will be tendered a dinner. This will be also attended by a number of members of the local council, including those composing the committee of arrangements.

An elaborate musical and literary entertainment, at 8:15 o'clock, at the Young Men's Sodality Lyceum Hall, will bring the celebration to a close.

Pupils Help Fight Fire.

Timely discovery of a fire yesterday afternoon at the Episcopal High School by little Miss Mary Willoughby Reade, seven years old, probably prevented the destruction of the building. The fire was seen to break forth from the window of the room on the third floor occupied by G. C. Shackelford, a teacher. The girl, who was playing on the campus, lost no time in sounding the alarm, and the pupils were marched from the school double-quick step, although there was no semblance of a panic. When they reached the school, where it was organized together, they at once organized a bucket brigade, and after half an hour's hard work had the fire under control, confining it to the room where it originated. The building, an adjoining room, although the roof of the building was slightly damaged. The origin of the fire is not known. It is thought that the girl was playing with a match, and the child's clothes were torn from her by the mother. The building was burned on the arms, back and chest.

Intruder Scared Away.

An attempt to rob the residence of Mrs. W. E. Plunkett, 112 North Payne street, was made shortly before midnight last night by an unidentified man. Mrs. Plunkett was aroused by the clanking of a chain on her front gate. Raising the window, she saw a man standing near by and called to him. He failed to answer, and she blew a police whistle several times. The intruder ran.

Catherine Nails, Five Years Old, Daughter of Mr. and Mrs. Lewis Nails of 517 South Alfred street, was painfully burned at 5 o'clock yesterday afternoon, when her clothes took fire from burning leaves. In a moment the child was enveloped in flames. A man working near by, attracted by her cries, at once went to her assistance, as did her mother. Her screams, however, indicating the flames by throwing a knit jacket over her face, while the child's clothes were torn from her by the mother. The building was burned on the arms, back and chest.

Funeral of Joseph Weingart.

Funeral services for Joseph Weingart will be held at 9 o'clock tomorrow morning from St. Mary's Catholic Church. Burial will be in St. Mary's cemetery.

The funeral of John Frank Brown, son of Mr. and Mrs. J. D. Brown, will take place at 11 o'clock tomorrow morning. Services will be conducted by Rev. W. F. Watson, pastor of the First Baptist church. Burial will be in Bethel cemetery.

The Alexandria High School foot ball team will open its season tomorrow with a game with Randolph-Macon, at Front Royal. Many other games are scheduled for the remainder of the month.

The concert given last evening in the auditorium of the Elks' Home, under the auspices of the Anti-Tuberculosis Society, was attended by many members of that organization and their friends.

BOY KILLED WHILE HUNTING.

Body Found Under Tree With Wound in Side.

CRISFIELD, Md., October 11.—The body of Morris Tol, aged fourteen, has been found within a quarter of a mile of Frog Eye Church, twenty minutes from here. He started out Saturday morning at daybreak from his home to go for gray squirrels. On his return, a posse of twenty-five persons set out to look for him. When found his body lay under a hickory nut tree with a gunshot wound in his side. His hand was pressing the wound, and his clothing was entirely burned from his body.

BIRTH RATE INCREASES.

Report of Chicago Health Department for Nine Months.

CHICAGO, October 11.—During the first nine months of this year 31,346 births were reported to the health department of Chicago. This is an increase of 9,878 over the number of babies coming into the world during the same months in 1911, or 46 per cent. The estimated total of annual births, reported and unreported, is 55,000. If the present rate continues the expected number will be about 78 per cent of the estimated total.
